The Merchant shall, whenever possible, whatsoever, accept all such losses or damages, whether or not such losses or damages are due to the fault or neglect of the Carrier, its agents, employees or servants.

The Carrier shall be responsible for all losses or damages which may arise, in whole or in part, from its own fault or neglect.

The Carrier shall not be liable for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be liable for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.

The Carrier shall not be responsible for any loss or damage caused by the act or default of any person, firm or corporation other than its agents, employees or servants, whether such person, firm or corporation be in the service of the Carrier or not.
